

## Assorted Fast Fixes

Below is a list of items you may already have access to around the home that may break in any number of ways. Feel free to pick something from this list, or use it as inspiration to come up with something we haven't thought of. **Don't forget**, the item you choose doesn't *necessarily* have to be broken. For example, the [How to Repair A Warped LP Record](#) guide did not require the use of a broken record in order to show the correct repair process.

**Just remember**, your fix topic should be something that is not already documented on iFixit. For instance, if someone else has already written a guide for replacing a dead battery in Tickle Me Elmo, you shouldn't duplicate that person's work—but you could write a different guide for Tickle Me Elmo, such as how to replace the internal speaker.

Search [iFixit.com](https://www.ifixit.com) to make sure there isn't already an existing guide for your topic. Also, be sure to include the **full name** of your device—including **manufacturer** and **model number**—in your proposal, so we know exactly which device you are hoping to work on. Get to it, and have fun!

### Apparel

- Purses
- Leather jackets
- Heels
- Shoe buckles
- Holes In Ugg boots
- Cowboy boots
- Rubber/rain boots

### Animal

- Aquarium
- Kennel/crate
- Leash/collar
- Pet door
- Cat scratchers
- Electric litter box
- Electric nail file
- Food/water dispenser

### Hobby

- Doll/Doll hair
- Trains
- Cricut (Electric paper cutter)
- Pottery wheel

### Health/Personal Care

- Curling iron
- Flat iron
- Electric shaver
- Electric toothbrush
- Heating pad
- LED mirror
- Hair dryer
- Scale

### Fitness/Athletic Gear

- Field hockey stick grips
- Ballet Pointe shoes
- Dance shoes
- Golf shoes
- Treadmill
- Roller blades
- Roller skates
- Exercise equipment

### Musical Instruments

- Guitar pickups
- Guitar pick guard
- Whammy bar
- Piano wire
- Drums
- Woodwinds & brass
- Bridge replacement
- Chin rests and endpins
- Soundposts (in acoustic instruments)
- Tailpiece
- Repairing wood finishes/cracked wood

### Audio

- Bluetooth speaker
- Speakers
- Turntables
- CD player
- Record player

**Bike**

- Derailleurs
- Brake pads
- Pedals
- Tires
- Handlebars
- Handlebar grips
- Broken spoke
- Kickstand

**Outdoor/Camping Gear**

- Tent
- Rainfly
- Tent footprint
- Hammock
- Wetsuit
- Sleeping bag
- Fishing reel
- Hiking boots
- Trekking poles
- Pool floaties
- Camping grill
- Headlamps
- Lantern
- Binoculars

**Furniture**

- Quilts
- Furniture stains
- Rattan furniture
- Leather upholstery
- Plastic furniture
- Glass table top

**Small Appliances**

- Rice cooker
- Electric tea kettle
- Vacuum cleaner
- Toaster oven
- Garbage disposal
- Sewing machine
- Slow cooker
- Steamer
- Air purifier
- Coffee grinder
- Coffee maker
- Cordless vacuum
- Electric can opener
- Electric clock
- Clothes iron
- Electric knife
- Electric pencil sharpener
- Espresso machine
- Hot plate
- Humidifier
- Juicer
- Mechanical clock
- Popcorn popper
- Trash compactor
- Ice cream maker

**Household Appliances**

- Refrigerator bulb
- Refrigerator fan
- Broken refrigerator handle
- Refrigerator water line
- Refrigerator door
- Refrigerator noises
- Clothes washer/dryer
- Washer not draining
- Dishwasher
- Glasstop stove
- Convection oven

**Home Interior**

- Wallpaper
- Holes in doors
- Ceiling tiles
- Carpet snags
- Curtains
- Fiberglass tub crack

**Garage**

- Garage door after pulling emergency cord
- Stuck garage door
- Garage door sensors
- Garage door cable
- Garage door battery
